SUBJECT: Proposal to Plan a Doctor of Audiology (joint with Ph.D.)

Your proposal to plan a Doctor of Audiology program will be presented to the Graduate Council on November 2, 2006. Since this is redistributing the resources and students in the Ph.D. program to add an applied track, the reviewers did see any issues to raise at this point.

The proposal will be sent to the Graduate Council along with a copy of this letter. We invite you to address the concerns in this letter and any other matters that you may have considered subsequent to submitting the proposal. If you do so prior to the meeting of the Graduate Council, we will provide copies to members.

We look forward to the presentation of this proposal by representatives of the university at the meeting of the Graduate Council on November 2, 2006 beginning at 1:00 p.m. Your graduate dean should arrange for representatives of the program to make the presentation.

In the meantime if we can be of assistance or respond to any concerns please let us know.
