Dear Counselor:

Enclosed is the 2007-2008 edition of the *Institutional Profiles, University of North Carolina*. As you know, this report was first recommended by an ad hoc committee of high school counselors convened in the summer of 1992. It is a single source of much of the information used by counselors and students in their consideration of UNC institutions and has grown through the years in its content and value.

This year we wish to remind you of the information about the University's Minimum Course Requirements for admission. Detailed information is available at [http://www.northcarolina.edu/content.php/assessment/reports/student\\_info/mcr.htm](http://www.northcarolina.edu/content.php/assessment/reports/student_info/mcr.htm) and also through the College Foundation of North Carolina at [www.CFNC.org](http://www.CFNC.org).

Statewide distribution of the *Institutional Profiles*, as in previous years, includes:

- five (5) copies per high school—for the counseling office and the library or other school offices; and
- three (3) copies for transfer counselors at each college and university in the state.

A limited number of extra copies of the *Institutional Profiles* may be obtained by contacting Ms. Judy Munson at (919) 962-1000.

*Institutional Profiles* is available on the web at:

<http://www.northcarolina.edu/content.php/assessment/reports/profiles/current.htm>,  
and additional information for prospective undergraduate students can be found at:  
[http://www.northcarolina.edu/content.php/assessment/reports/student\\_info.htm](http://www.northcarolina.edu/content.php/assessment/reports/student_info.htm).

Administrators, counselors, and prospective students should find the information at these sites very helpful.

Gratified by the positive responses to *Institutional Profiles*, I will continue to welcome your comments and suggestions for improvements. Many thanks to you and your colleagues for the important work you do to help students achieve their full academic potential.

Sincerely,

Erskine Bowles
